Minutes

Dr. Garlitz called the meeting to order at 3:47 pm. Committee members in attendance included Cindy Huseman, Dana Stanfield, Heather Birkenfeld, Nikki Wethington, Kimberlin White, Celina Brockman and Tracy Ramsey.

In the SBDM's capacity as the School Health Advisory Council, Dr. Garlitz presented the Wellness Plan for its annual review and the required triennial assessment. In the triennial assessment, Nazareth School is meeting the goals of the Wellness Plan. After discussion and proposed updates/revisions, Dr. Garlitz will prepare for a public hearing at the April board meeting to present the information.

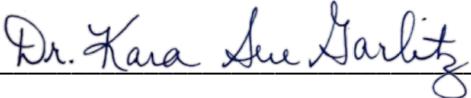

Dr. Garlitz gave an update on next year's school calendar. Draft #4 was recommended by the SBDM and approved by the Board at the March 9 BOE meeting.

Due to multiple school conflicts, the next scheduled meeting will be Wednesday, May 11 at 3:45 pm.

Tracy Ramsey has completed her tenure as a parent representative on the SBDM with her son preparing for graduation. We will find a replacement for her.

The meeting was adjourned at 4:15 pm.

Respectfully submitted,

Dr. Kara Sue Garlitz, Superintendent/SBDM Chair
